25X1 6. [ ] Met with Representative Ogden Reid (R., N. Y.)  
as a followup to last week's briefing on the Middle East and gave him the  
numbers of Israeli and Egyptian aircraft. Representative Reid was most  
appreciative. See Journal of 20 October 1971.

25X1 7. [ ] Returned Mr. Kendrick Bellows', of the  
Dactylog Company, call of yesterday. He expressed his appreciation for the  
courtesies of the meeting last week. He said he was looking forward to our  
letter that he understood will be forthcoming in about a week. The purpose  
of the call was to tell me that he was writing asking for definition of some of  
the terms used in the unclassified report given to him on the Dactylog system.  
I told him this would not create any problems. See Journal of 21 October 1971.

25X1 8. [ ] Talked with J. Sourwine, Chief Counsel,  
Senate Internal Security Subcommittee, about our interest in seeing Petr S.  
Deryabin's letter to Senator Eastland published in the Congressional Record.  
Sourwine said he had prepared the letter for Senator Eastland to place in the  
Record and it was now in the Senator's hands. He said he could make no  
25X1A commitment, but he assumed that the Chairman would go ahead with it.

25X1C committee staff, referred to a request in August for [ ]  
defector, and asked if we had any indication as to when he might be made  
available to the Subcommittee. I reminded Scott of our understanding with  
the Subcommittee that we would advise them "if, as, and when he becomes  
available" but added that I would see if we had any reading on him at this  
time.
